

Directions for Making a Yarn Sheep

Supplies Needed: yarn, small piece of cardboard, 2 clothespins(spring style), black paint and glue. Optional: 2-google eyes, ribbon, small bell, felt

Directions:

- Cut out a kidney shaped piece from the cardboard. This will be the body of the sheep.
- Paint the clothespins and the part of the cardboard that will be the head of the sheep black.
- When the paint has dried, attach the clothes pins to the cardboard as shown in the photo. Add a bit of glue to keep the legs from moving checking first to make sure the sheep will stand.
- When glue is dry, wind the yarn around the body of the sheep until it is fully covered. You may need to add some glue to keep the yarn on the back end of the sheep.
- Optional: Add ears and a tail made from felt, google eyes, ribbon and a bell.
